TEACHER LESSON PLANS

Speaking

17 day plans · 3-hour classes · 30–45 minutes teacher-led

Each plan gives you a minute-by-minute run sheet for the class, what to present, a board plan, likely errors, concept-check questions, support and stretch tasks, an exit ticket and the student work to collect.

HOW TO USE THESE PLANS

Speaking: 17 classes at a glance

Every class lasts **3 hours**. You lead the first part (a 10-minute warm-up and **30–45 minutes** of presentation); students then work on the BandSix day for about two hours while you circulate, and the class ends with a 10-minute exit ticket. Times in the run sheet are a guide: the platform minutes come from the BandSix day itself. Strategy and tutorial stages are covered in your presentation, so students only skim them on the platform. A day unlocks only when every activity of the previous day is checked, so anything not finished in class becomes homework.

The 3-hour pattern

PHASE	TIME	YOUR ROLE
Warm-up	10 min	A quick activity that activates the day’s skill. Every plan suggests one.
Teacher-led	30–45 min	Present the strategy with the board plan, model it, and check understanding with the concept-check questions. On ETS lesson days, teach from the ETS plan and use BandSix for follow-up.
Platform	≈ 2 h	Students complete the BandSix day. Circulate, look at the checklist at the bottom of each day, give one-to-one feedback, and watch for the errors listed in the plan.
Wrap-up	10 min	Exit ticket and a preview of the next day. Remind students to send writing and recordings to Drive.

ETS LESSON · ALL SPEAKING TASKS

Day 1 · Inside the new Speaking section

By the end of the class, students can explain the two Speaking tasks and record a baseline set of Listen and Repeat and interview answers to compare with on Day 16.

Run sheet · 3-hour class

TIME	PHASE	WHAT HAPPENS	MIN
0:00–0:10	**Warm-up**	Ask three quick interview questions to volunteers with a visible 45-second timer. Ask the class: was it long or short? What made it hard?	10
0:10–0:45	**Teacher-led**	**ETS lesson:** Speaking Lesson 1 · Introduction. Present the strategy (see **Teach this**). On screen with the class: Eight minutes, two tasks.	35
0:45–0:57	**Platform**	Baseline: Listen and Repeat (Guided practice)	12
0:57–1:12	**Platform**	Baseline: Interview (Guided practice)	15
1:12–1:22	**Platform**	Fluency check (Toolkit)	10
1:22–1:57	**Platform**	More baseline practice (Guided practice)	35
1:57–2:07	**Platform**	Memory warm-up (Toolkit)	10
2:07–2:22	**Platform**	Test-style score (0–5 task scale) (Exit check)	15
2:22–2:27	**Platform**	Reflection (Reflection)	5
2:27–2:50	**Platform**	Buffer: students finish any unchecked activity, read every explanation and send recordings or writing to Drive. Use this time for one-to-one feedback.	23
2:50–3:00	**Wrap-up**	**Exit ticket:** the sentence number where they started losing words, and whether they stopped before 45 seconds. Preview the next day.	10

Teach this (30–45 min)

- Follow ETS Speaking Lesson 1 (Introduction) as your core lesson.
- Present the two tasks: Listen and Repeat (7 sentences that get longer) and Take an Interview (4 questions, 45 seconds, no preparation).
- Explain the two skills that decide scores: fluency and short-term memory, both trainable.
- Show the recording routine: phone recorder on, page plays prompts, upload to listen back, self-score, send to Drive.

Board plan

Listen & Repeat: 7 sentences ↑ longer
Interview: 4 × 45 s, no prep
Fluency + memory
Record → listen → score → send

Check understanding

Q: How much preparation time do you get in the interview?
A: None.
Q: How many sentences are in Listen and Repeat?
A: Seven, getting longer.

Watch for

- Students who stop recording between questions and lose the file.
- Shy students whispering; remind them the rater must hear every word.

Differentiation

Support: Allow weaker students to see the interview question text while answering on Day 1.

Stretch: Strong students also record the extra baseline interview.

Collect

- Speaking: one recording per set, sent with Send to my Drive folder (it appears in the Submissions tab).
- Scored day: students complete the test-style self-score (11 responses). Score the recording in the Teacher guide scoring tool and send the code.

Daily exposure (homework)

- Shadow 3 minutes of English audio every day: play a podcast and speak along, half a second behind the speaker.
- Talk to yourself in English for 5 minutes while you walk, cook or commute. Describe what you see and what you plan to do.
- Record one 45-second answer every day on your phone and listen back once. Consistency beats long sessions.

ETS LESSON · LISTEN AND REPEAT

Day 2 · Listen and Repeat I: thought groups

By the end of the class, students can hear sentences as groups of meaning rather than single words, so you can remember and repeat longer sentences.

Run sheet · 3-hour class

TIME	PHASE	WHAT HAPPENS	MIN
0:00–0:10	**Warm-up**	Say a 14-word sentence once. Students try to repeat it. Then say it in three chunks with pauses; most succeed. Ask why.	10
0:10–0:45	**Teacher-led**	**ETS lesson:** Speaking Lesson 2 · Listen and Repeat: Foundational Skills. Present the strategy (see **Teach this**). On screen with the class: Tutorial: Listen and Repeat; Remember chunks, not words.	35
0:45–0:57	**Platform**	Chunking drill (Guided practice)	12
0:57–1:12	**Platform**	Listen and Repeat set (Timed task)	15
1:12–1:37	**Platform**	Extended practice: two more sets (Guided practice)	25
1:37–1:57	**Platform**	Mixed review: short interview (Guided practice)	20
1:57–2:07	**Platform**	Chunking practice (Toolkit)	10
2:07–2:12	**Platform**	Reflection (Reflection)	5
2:12–2:50	**Platform**	Buffer: students finish any unchecked activity, read every explanation and send recordings or writing to Drive. Use this time for one-to-one feedback.	38
2:50–3:00	**Wrap-up**	**Exit ticket:** chunk two new sentences with slashes. Preview the next day.	10

Teach this (30–45 min)

- Follow ETS Speaking Lesson 2 (Listen and Repeat: Foundational Skills).
- Working memory holds about four to seven items: remember thought groups, not words.
- Show chunk marks and stress: one stressed word per chunk.
- Model the chunking drill and the tutorial.

Board plan

The cafeteria / is on the ground floor.
chunk = 1 idea · 1 stressed word · pause between chunks

Check understanding

Q: Why do chunks help?
A: Memory holds a few groups more easily than many single words.
Q: Where do you pause?
A: Between chunks, not inside them.

Watch for

- Word-by-word repetition with pauses in the wrong places.
- Students starting too late after the sentence ends.

Differentiation

Support: Let weaker students see the chunked text for the first two drills.

Stretch: Strong students mark chunks in a new paragraph and read it aloud.

Collect

- Speaking: one recording per set, sent with Send to my Drive folder (it appears in the Submissions tab).

Daily exposure (homework)

- Take one paragraph from any book. Mark the thought groups with / and read it aloud with pauses only at the marks.
- Shadow 3 minutes of English audio every day: play a podcast and speak along, half a second behind the speaker.

LISTEN AND REPEAT

Day 3 · Listen and Repeat II: stress and weak forms

By the end of the class, students can hear and reproduce the small unstressed words (to, of, and, can, the) that learners often drop.

Run sheet · 3-hour class

TIME	PHASE	WHAT HAPPENS	MIN
0:00–0:10	**Warm-up**	Dictate 'I want to go to the bank' at natural speed. Students count the syllables they heard and compare with the written sentence.	10
0:10–0:45	**Teacher-led**	Present the strategy (see **Teach this**). On screen with the class: The words you don't hear.	35
0:45–0:57	**Platform**	Weak-form drill (Guided practice)	12
0:57–1:12	**Platform**	Listen and Repeat set (Timed task)	15
1:12–1:37	**Platform**	Extended practice: two more sets (Guided practice)	25
1:37–1:57	**Platform**	Mixed review: short interview (Guided practice)	20
1:57–2:07	**Platform**	Weak forms practice (Toolkit)	10
2:07–2:50	**Platform**	Buffer: students finish any unchecked activity, read every explanation and send recordings or writing to Drive. Use this time for one-to-one feedback.	43
2:50–3:00	**Wrap-up**	**Exit ticket:** underline the stressed words in two sentences. Preview the next day.	10

Teach this (30–45 min)

- Content words are stressed; grammar words are reduced (to → tuh, and → n, of → uh, can → kn).
- Dropped small words cost points in Listen and Repeat.
- Can vs. can't: can is short and weak, can't is long and stressed.
- Model rhythm with the weak-form drill, clapping the stressed syllables.

Board plan

to → tuh · and → n · of → uh · can → kn · CAN'T (stressed)
count the beats

Check understanding

Q: 'You can park here' vs 'You can't park here': which word is stressed in the second?
A: can't.
Q: How do you know you dropped a small word?
A: Your repetition has fewer beats than the model.

Watch for

- Pronouncing every word with equal stress (syllable-timed Spanish rhythm).
- Dropping 'the', 'a' and 'to' in repetition.

Differentiation

Support: Students clap the rhythm before speaking each sentence.

Stretch: Strong students shadow the drill sentences at speed 1.05.

Collect

- Speaking: one recording per set, sent with Send to my Drive folder (it appears in the Submissions tab).

Daily exposure (homework)

- Listen to a song you like and write down the lyrics of one verse without looking them up. Then check which small words you missed.
- Shadow 3 minutes of English audio every day: play a podcast and speak along, half a second behind the speaker.

LISTEN AND REPEAT

Day 4 · Listen and Repeat III: linking and endings

By the end of the class, students can link words together naturally and pronounce word endings (-s, -ed, final consonants) clearly.

Run sheet · 3-hour class

TIME	PHASE	WHAT HAPPENS	MIN
0:00–0:10	**Warm-up**	Minimal pair challenge: ship/sheep, live/leave, full/fool. Students say one, a partner points to it.	10
0:10–0:45	**Teacher-led**	Present the strategy (see **Teach this**). On screen with the class: Connected speech.	35
0:45–0:57	**Platform**	Linking and endings drill (Guided practice)	12
0:57–1:12	**Platform**	Listen and Repeat set (Timed task)	15
1:12–1:37	**Platform**	Extended practice: two more sets (Guided practice)	25
1:37–1:57	**Platform**	Mixed review: short interview (Guided practice)	20
1:57–2:07	**Platform**	Endings practice (Toolkit)	10
2:07–2:50	**Platform**	Buffer: students finish any unchecked activity, read every explanation and send recordings or writing to Drive. Use this time for one-to-one feedback.	43
2:50–3:00	**Wrap-up**	**Exit ticket:** read three sentences aloud to a partner, who checks the endings. Preview the next day.	10

Teach this (30–45 min)

- Linking consonant to vowel (an‿apple, turn‿it‿off).
- -s endings /s/ /z/ /ɪz/ and -ed endings /t/ /d/ /ɪd/.
- Final consonants and initial s + consonant (study, not estudy).
- The goal is intelligibility, not a native accent.

Board plan

worked /t/ · played /d/ · wanted /ɪd/
books /s/ · bags /z/ · buses /ɪz/
study ≠ estudy

Check understanding

Q: How many syllables in 'worked'?
A: One.
Q: Which ending in 'buses'?
A: /ɪz/, an extra syllable.

Watch for

- 'Estudy', 'eschool', 'Espain'.
- Saying 'work-ed' with an extra syllable.

Differentiation

Support: Students record five -ed sentences and listen for each ending.

Stretch: Strong students explain the -ed rule to a partner with new verbs.

Collect

- Speaking: one recording per set, sent with Send to my Drive folder (it appears in the Submissions tab).

Daily exposure (homework)

- Record yourself reading five sentences with -ed verbs. Listen: can you hear every ending?
- Record one 45-second answer every day on your phone and listen back once. Consistency beats long sessions.

LISTEN AND REPEAT

Day 5 · Listen and Repeat IV: training short-term memory

By the end of the class, students can extend your memory span with meaning-based strategies and a sentence ladder that grows from 8 to 20 words.

Run sheet · 3-hour class

TIME	PHASE	WHAT HAPPENS	MIN
0:00–0:10	**Warm-up**	Memory ladder on the board: a sentence that grows by two words each time. The class repeats in chorus until it breaks.	10
0:10–0:45	**Teacher-led**	Present the strategy (see **Teach this**). On screen with the class: Memory strategies that work.	35
0:45–1:00	**Platform**	Sentence ladder (Guided practice)	15
1:00–1:12	**Platform**	Listen and Repeat set (Timed task)	12
1:12–1:37	**Platform**	Extended practice: longer sentences (Guided practice)	25
1:37–1:57	**Platform**	Mixed review: short interview (Guided practice)	20
1:57–2:07	**Platform**	Visualization drill (Toolkit)	10
2:07–2:50	**Platform**	Buffer: students finish any unchecked activity, read every explanation and send recordings or writing to Drive. Use this time for one-to-one feedback.	43
2:50–3:00	**Wrap-up**	**Exit ticket:** current memory span in words. Preview the next day.	10

Teach this (30–45 min)

- Understand first, repeat second: you cannot remember sounds you did not understand.
- Visualize, keep the frame (If you..., you can...) and fill the details.
- Start immediately: memory fades in 2–3 seconds; never stop for a lost word.
- Introduce the daily sentence ladder and the idea of memory span.

Board plan

Meaning → picture → frame → details
Start at once
Partial answer > silence

Check understanding

Q: You forget one word in the middle. What do you do?
A: Say the rest of the sentence.
Q: What is your memory span?
A: The longest sentence you repeat with a score of 4 or 5.

Watch for

- Students who freeze after losing one word.
- Waiting too long before speaking.

Differentiation

Support: Weaker students start the ladder at sentence 1 and repeat each step twice.

Stretch: Strong students do the 22-word ladder.

Collect

- Speaking: one recording per set, sent with Send to my Drive folder (it appears in the Submissions tab).

Daily exposure (homework)

- Memory game: when you hear an announcement or a sentence on TV, repeat it aloud immediately. Try five a day.
- Shadow 3 minutes of English audio every day: play a podcast and speak along, half a second behind the speaker.

ETS LESSON · LISTEN AND REPEAT

Day 6 · Listen and Repeat V: how it is scored

By the end of the class, students can understand the scoring criteria, score yourself accurately, and complete a full set under test conditions.

Run sheet · 3-hour class

TIME	PHASE	WHAT HAPPENS	MIN
0:00–0:10	**Warm-up**	Play one sentence and three recorded student-style repetitions (read by you). Students give each a score from 0 to 5.	10
0:10–0:45	**Teacher-led**	**ETS lesson:** Speaking Lesson 3 · Listen and Repeat: Scoring Criteria. Present the strategy (see **Teach this**). On screen with the class: What earns a 5.	35
0:45–1:00	**Platform**	Full set: test mode (Timed task)	15
1:00–1:25	**Platform**	Two more full sets in test mode (Timed task)	25
1:25–1:45	**Platform**	Mixed review: short interview (Guided practice)	20
1:45–1:50	**Platform**	Score check (Toolkit)	5
1:50–2:05	**Platform**	Test-style score (0–5 task scale) (Exit check)	15
2:05–2:13	**Platform**	Reflection (Reflection)	8
2:13–2:50	**Platform**	Buffer: students finish any unchecked activity, read every explanation and send recordings or writing to Drive. Use this time for one-to-one feedback.	37
2:50–3:00	**Wrap-up**	**Exit ticket:** Remind students to send the recording to Drive. Score it in the Teacher guide scoring tool and send the code. Preview the next day.	10

Teach this (30–45 min)

- Follow ETS Speaking Lesson 3 (Listen and Repeat: Scoring Criteria).
- Walk through the 0–5 scoring guide with examples of 5, 4 and 3.
- Teach word-by-word self-scoring: count missing, added and changed words.
- Today is a scored day: students record a full set and complete the test-style self-score.

Board plan

5 exact · 4 meaning kept, 1–2 small changes · 3 most words, meaning changed
count missing / added / changed

Check understanding

Q: One article missing, meaning the same: what score?
A: 4.
Q: Can you play the sentences more than once in test mode?
A: No.

Watch for

- Generous self-scores; remind students to score what they hear, not what they meant.
- Recordings that are too quiet to score.

Differentiation

Support: Score the first sentence together as a class before individual scoring.

Stretch: Strong students score a partner's recording blind and compare.

Collect

- Speaking: one recording per set, sent with Send to my Drive folder (it appears in the Submissions tab).
- Scored day: students complete the test-style self-score (11 responses). Score the recording in the Teacher guide scoring tool and send the code.

Daily exposure (homework)

- Shadow 3 minutes of English audio every day: play a podcast and speak along, half a second behind the speaker.
- Talk to yourself in English for 5 minutes while you walk, cook or commute. Describe what you see and what you plan to do.
- Record one 45-second answer every day on your phone and listen back once. Consistency beats long sessions.

By the end of the class, students can answer any interview question immediately with a four-step frame that fills 45 seconds.

Run sheet · 3-hour class

TIME	PHASE	WHAT HAPPENS	MIN
0:00–0:10	**Warm-up**	Ask 'What do you usually do on Sunday mornings?' to three students. Time each answer and note where they stopped.	10
0:10–0:45	**Teacher-led**	**ETS lesson:** Speaking Lesson 4 · Lifestyles and Interests. Present the strategy (see **Teach this**). On screen with the class: Tutorial: Take an Interview; Answer – Reason – Example – Wrap.	35
0:45–0:55	**Platform**	Frame drill: one answer at a time (Guided practice)	10
0:55–1:10	**Platform**	Interview (Timed task)	15
1:10–1:45	**Platform**	Extended practice: two more interviews (Timed task)	35
1:45–1:57	**Platform**	Mixed review: Listen and Repeat (Guided practice)	12
1:57–2:05	**Platform**	Frame drill: A-R-E-W (Toolkit)	8
2:05–2:50	**Platform**	Buffer: students finish any unchecked activity, read every explanation and send recordings or writing to Drive. Use this time for one-to-one feedback.	45
2:50–3:00	**Wrap-up**	**Exit ticket:** answer one question in pairs; the partner counts the four steps. Preview the next day.	10

Teach this (30–45 min)

- Follow ETS Speaking Lesson 4 (Lifestyles and Interests).
- Teach the frame: Answer (5 s), Reason (10 s), Example (20 s), Wrap (5 s).
- Model the music answer and count the parts on your fingers.
- Starter phrases for each step.

Board plan

A (5 s) Honestly, I'd say… · R (10 s) The main reason is… · E (20 s) For example, last year… · W (5 s) So that's why…

Check understanding

Q: Which step is the longest?
A: The example, about 20 seconds.
Q: How do you start without preparation time?
A: With a ready phrase: Honestly, I'd say…

Watch for

- Long silence before the first word.
- Examples that stay general (people usually…) instead of a specific story.

Differentiation

Support: Give a card with one starter phrase for each step.

Stretch: Strong students answer with a contrast added to the example.

Collect

- Speaking: one recording per set, sent with Send to my Drive folder (it appears in the Submissions tab).

Daily exposure (homework)

- Answer one random question a day with the A-R-E-W frame (search “conversation questions” for ideas).
- Record one 45-second answer every day on your phone and listen back once. Consistency beats long sessions.

BandSix · original teaching material. TOEFL® and TOEFL iBT® are registered trademarks of ETS. BandSix is not endorsed by ETS.

TAKE AN INTERVIEW

Day 8 · Interview II: telling past experiences

By the end of the class, students can tell a short, clear story about a past experience using past tenses and sequencing words.

Run sheet · 3-hour class

TIME	PHASE	WHAT HAPPENS	MIN
0:00–0:10	**Warm-up**	Tell a 30-second story about getting lost, then ask students what made it easy to follow (order, time words).	10
0:10–0:45	**Teacher-led**	Present the strategy (see **Teach this**). On screen with the class: A 30-second story.	35
0:45–0:55	**Platform**	Story drill (Guided practice)	10
0:55–1:10	**Platform**	Interview (Timed task)	15
1:10–1:45	**Platform**	Extended practice: two more story interviews (Timed task)	35
1:45–1:57	**Platform**	Mixed review: Listen and Repeat (Guided practice)	12
1:57–2:05	**Platform**	Past-tense check (Toolkit)	8
2:05–2:50	**Platform**	Buffer: students finish any unchecked activity, read every explanation and send recordings or writing to Drive. Use this time for one-to-one feedback.	45
2:50–3:00	**Wrap-up**	**Exit ticket:** tell a 30-second story to a partner using three sequencing words. Preview the next day.	10

Teach this (30–45 min)

- Teach the four-part story: scene, problem, action, result and lesson.
- Past simple for events, past continuous for background, past perfect for earlier past.
- Sequencing words: at first, then, after that, eventually, in the end.
- Model and record a story; listen back for -ed endings.

Board plan

Scene → Problem → Action → Result
was living · applied · had never
At first… Then… In the end…

Check understanding

Q: Which tense for background?
A: Past continuous.
Q: Which tense for something that happened before the main story?
A: Past perfect.

Watch for

- Present tense in past stories.
- Missing -ed endings in pronunciation.

Differentiation

Support: Students plan the four parts with one word each before speaking.

Stretch: Strong students add a past perfect clause to every story.

Collect

- Speaking: one recording per set, sent with Send to my Drive folder (it appears in the Submissions tab).

Daily exposure (homework)

- Every evening, tell your day as a 45-second story in English, using at least three sequencing words.
- Talk to yourself in English for 5 minutes while you walk, cook or commute. Describe what you see and what you plan to do.

ETS LESSON · TAKE AN INTERVIEW

Day 9 · Interview III: giving and supporting opinions

By the end of the class, students can give a clear opinion, support it with a reason and example, and acknowledge the other side briefly.

Run sheet · 3-hour class

TIME	PHASE	WHAT HAPPENS	MIN
0:00–0:10	**Warm-up**	Quick debate: stand on the left or right side of the room for 'Should university be free?' Each side gives one reason.	10
0:10–0:45	**Teacher-led**	**ETS lesson:** Speaking Lesson 5 · Student Clubs. Present the strategy (see **Teach this**). On screen with the class: Opinions in 45 seconds.	35
0:45–1:05	**Platform**	Interview (Timed task)	20
1:05–1:40	**Platform**	Extended practice: two opinion interviews (Timed task)	35
1:40–1:52	**Platform**	Mixed review: Listen and Repeat (Guided practice)	12
1:52–2:00	**Platform**	Opinion phrases (Toolkit)	8
2:00–2:50	**Platform**	Buffer: students finish any unchecked activity, read every explanation and send recordings or writing to Drive. Use this time for one-to-one feedback.	50
2:50–3:00	**Wrap-up**	**Exit ticket:** one opinion answer recorded and self-scored on Development. Preview the next day.	10

Teach this (30–45 min)

- Follow ETS Speaking Lesson 5 (Student Clubs).
- Choose a side in the first sentence; 'It depends' only if you say on what.
- One strong reason with an example; acknowledge the other side in one sentence; restate.
- Opinion, partial agreement, concession and conclusion phrases.

Board plan

Position → reason → example → 'Of course, some say… but…' → So overall…

Check understanding

Q: Is 'It depends' acceptable?
A: Yes, if you immediately say what it depends on.
Q: Why acknowledge the other side?
A: It shows range and maturity.

Watch for

- Sitting on the fence for the whole 45 seconds.
- Listing reasons without an example.

Differentiation

Support: Students choose their side and reason in 5 seconds using a printed phrase card.

Stretch: Strong students argue the side they disagree with.

Collect

- Speaking: one recording per set, sent with Send to my Drive folder (it appears in the Submissions tab).

Daily exposure (homework)

- Read a short opinion column. Summarize the writer's opinion aloud in 20 seconds, then give yours in 30 seconds.
- Record one 45-second answer every day on your phone and listen back once.

TAKE AN INTERVIEW

Day 10 · Interview IV: hypothetical and future questions

By the end of the class, students can answer “What would you do if…?” and future questions accurately with conditionals and future forms.

Run sheet · 3-hour class

TIME	PHASE	WHAT HAPPENS	MIN
0:00–0:10	**Warm-up**	'If you could…' chain: each student answers one imaginative question in one sentence with would.	10
0:10–0:45	**Teacher-led**	Present the strategy (see **Teach this**). On screen with the class: Imagining out loud.	35
0:45–1:05	**Platform**	Interview (Timed task)	20
1:05–1:40	**Platform**	Extended practice: two hypothetical interviews (Timed task)	35
1:40–1:52	**Platform**	Mixed review: Listen and Repeat (Guided practice)	12
1:52–2:00	**Platform**	Conditional practice (Toolkit)	8
2:00–2:50	**Platform**	Buffer: students finish any unchecked activity, read every explanation and send recordings or writing to Drive. Use this time for one-to-one feedback.	50
2:50–3:00	**Wrap-up**	**Exit ticket:** one hypothetical answer with at least three 'would' forms. Preview the next day.	10

Teach this (30–45 min)

- Hypothetical questions need would + base verb; keep 'would' through the whole answer.
- Second and third conditionals with examples.
- Don't argue with the hypothetical: choose and explain.
- Make it concrete: named place, activity, reason.

Board plan

If I could…, I would… · If I had…, I'd… · If I had studied…, I would have… keep WOULD

Check understanding

Q: Correct: 'If I would have money, I will travel.'
A: If I had money, I would travel.
Q: The question says 'If you could live anywhere'. Is 'That's impossible' a good answer?
A: No. Choose a place and explain.

Watch for

- Switching from would to will halfway.
- 'If I would have…' in the if-clause.

Differentiation

Support: Students practise the conditional drill twice before the interview.

Stretch: Strong students add a third conditional reflection to one answer.

Collect

- Speaking: one recording per set, sent with Send to my Drive folder (it appears in the Submissions tab).

Daily exposure (homework)

- Ask yourself one “If you could…” question each day and answer it aloud for 45 seconds.
- Talk to yourself in English for 5 minutes while you walk, cook or commute.

TAKE AN INTERVIEW

Day 11 · Fluency I: pauses, fillers and the 4-3-2 drill

By the end of the class, students can replace long silences and fillers with natural pauses, and increase your speech rate with the 4-3-2 technique.

Run sheet · 3-hour class

TIME	PHASE	WHAT HAPPENS	MIN
0:00–0:10	**Warm-up**	Ask students to count your 'um's while you tell a short story full of fillers. Then retell it with silent pauses.	10
0:10–0:45	**Teacher-led**	Present the strategy (see **Teach this**). On screen with the class: What fluency really is.	35
0:45–1:05	**Platform**	The 4-3-2 drill (adapted to 60-45-30) (Guided practice)	20
1:05–1:15	**Platform**	Measure the change (Toolkit)	10
1:15–1:45	**Platform**	Extended practice: 4-3-2 with new topics (Timed task)	30
1:45–2:05	**Platform**	Mixed review: interview (Guided practice)	20
2:05–2:50	**Platform**	Buffer: students finish any unchecked activity, read every explanation and send recordings or writing to Drive. Use this time for one-to-one feedback.	45
2:50–3:00	**Wrap-up**	**Exit ticket:** words per minute and filler count from the 30-second version, compared with Day 1. Preview the next day.	10

Teach this (30–45 min)

- Fluency means not breaking the flow: pause between ideas, not inside phrases.
- A silent pause is better than um; paraphrase a missing word; never restart.
- Introduce the 4-3-2 drill (60-45-30): the same content in less and less time.
- Measure with the fluency check: words per minute, fillers, restarts, linking words.

Board plan

Pause between ideas · No 'um' · Describe the missing word · Never restart
60 → 45 → 30

Check understanding

Q: You forget the word 'landlord'. What do you do?
A: Describe it: the person who owns my apartment.
Q: Which is better: a silent pause or 'um'?
A: A short silent pause.

Watch for

- Restarting sentences after small errors.
- Speaking faster but with less content.

Differentiation

Support: Allow weaker students 75-60-45 instead of 60-45-30.

Stretch: Strong students do two 4-3-2 cycles with new topics.

Collect

- Speaking: one recording per set, sent with Send to my Drive folder (it appears in the Submissions tab).

Daily exposure (homework)

- Do one 4-3-2 cycle every day this week with a new topic.
- Record one 45-second answer every day on your phone and listen back once.

TAKE AN INTERVIEW

Day 12 · Fluency II: a bank of ready-made phrases

By the end of the class, students can learn and automate high-frequency phrases for starting, buying time, giving examples and finishing answers.

Run sheet · 3-hour class

TIME	PHASE	WHAT HAPPENS	MIN
0:00–0:10	**Warm-up**	Say a phrase from the bank (Let me think about that for a second) and students repeat it three times as one smooth unit.	10
0:10–0:45	**Teacher-led**	Present the strategy (see **Teach this**). On screen with the class: Phrases that give you time.	35
0:45–0:55	**Platform**	Shadow the phrases (Guided practice)	10
0:55–1:13	**Platform**	Interview (Timed task)	18
1:13–1:48	**Platform**	Extended practice: two interviews using the phrase bank (Timed task)	35
1:48–2:00	**Platform**	Mixed review: Listen and Repeat (Guided practice)	12
2:00–2:50	**Platform**	Buffer: students finish any unchecked activity, read every explanation and send recordings or writing to Drive. Use this time for one-to-one feedback.	50
2:50–3:00	**Wrap-up**	**Exit ticket:** the three phrases each student will use this week. Preview the next day.	10

Teach this (30–45 min)

- Fluent speakers use prefabricated chunks while they plan content.
- Present the phrase bank by purpose: start, buy time, reason, example, add, contrast, finish.
- Shadow the phrases until automatic.
- Students choose three phrases to use in every interview this week.

Board plan

Start: That's an interesting question... · Time: Let me think... · Example: A good example is... · Finish: So overall...

Check understanding

Q: Why memorize phrases?
A: They come out automatically while you plan the content.
Q: How many phrases should you use per answer?
A: Two or three, naturally.

Watch for

- Overusing one phrase in every sentence.
- Phrases said slowly, word by word.

Differentiation

Support: Give a printed phrase card to keep beside the screen.

Stretch: Strong students use a different phrase from the bank in each of the four answers.

Collect

- Speaking: one recording per set, sent with Send to my Drive folder (it appears in the Submissions tab).

Daily exposure (homework)

- Choose three phrases from the bank and use each one at least twice in real conversations or recordings this week.
- Shadow 3 minutes of English audio every day: play a podcast and speak along, half a second behind the speaker.

LISTEN AND REPEAT · INTERVIEW

Day 13 · Fluency III: shadowing

By the end of the class, students can improve rhythm, linking and speed by speaking along with a model in real time.

Run sheet · 3-hour class

TIME	PHASE	WHAT HAPPENS	MIN
0:00–0:10	**Warm-up**	Shadow 30 seconds of a podcast together as a class, half a second behind the speaker.	10
0:10–0:45	**Teacher-led**	Present the strategy (see **Teach this**). On screen with the class: How to shadow.	35
0:45–1:00	**Platform**	Shadowing sentences (Guided practice)	15
1:00–1:15	**Platform**	Shadow a full model answer (Guided practice)	15
1:15–1:23	**Platform**	Fluency check (Toolkit)	8
1:23–1:53	**Platform**	Extended practice: shadow, then answer (Timed task)	30
1:53–2:05	**Platform**	Mixed review: Listen and Repeat (Guided practice)	12
2:05–2:50	**Platform**	Buffer: students finish any unchecked activity, read every explanation and send recordings or writing to Drive. Use this time for one-to-one feedback.	45
2:50–3:00	**Wrap-up**	**Exit ticket:** one sentence where they fell behind and why. Preview the next day.	10

Teach this (30–45 min)

- Shadowing: listen once with text, then speak along half a second behind, copying speed, pauses and stress.
- Repeat three times, then without text; record the last round.
- Where you fall behind, linking or weak forms are usually missing.
- Then answer the same question in your own words.

Board plan

Read + listen → shadow ×3 → no text → record
Copy speed · pauses · stress

Check understanding

Q: How far behind the speaker should you be?
A: About half a second.
Q: What do you copy besides the words?
A: Speed, pauses and stress.

Watch for

- Reading the text instead of listening.
- Stopping when they fall behind instead of catching up.

Differentiation

Support: Weaker students shadow at speed 0.85 first.

Stretch: Strong students shadow at test speed (1.08).

Collect

- Speaking: one recording per set, sent with Send to my Drive folder (it appears in the Submissions tab).

Daily exposure (homework)

- Shadow one minute of a TED talk every day (turn on English subtitles).
- Shadow 3 minutes of English audio every day: play a podcast and speak along, half a second behind the speaker.

TAKE AN INTERVIEW

Day 14 · Interview V: developing answers to 45 seconds

By the end of the class, students can extend short answers with specific details, contrasts and consequences, so that you use the full time.

Run sheet · 3-hour class

TIME	PHASE	WHAT HAPPENS	MIN
0:00–0:10	**Warm-up**	Read a 12-second answer (I like reading because it's relaxing). Teams extend it to 45 seconds using details, contrasts and consequences.	10
0:10–0:45	**Teacher-led**	Present the strategy (see **Teach this**). On screen with the class: Five ways to add 15 seconds.	35
0:45–1:05	**Platform**	Interview (Timed task)	20
1:05–1:13	**Platform**	Length check (Toolkit)	8
1:13–1:48	**Platform**	Extended practice: two interviews, full 45 seconds (Timed task)	35
1:48–2:00	**Platform**	Mixed review: Listen and Repeat (Guided practice)	12
2:00–2:50	**Platform**	Buffer: students finish any unchecked activity, read every explanation and send recordings or writing to Drive. Use this time for one-to-one feedback.	50
2:50–3:00	**Wrap-up**	**Exit ticket:** word count of one 45-second answer. Preview the next day.	10

Teach this (30–45 min)

- Present the five extenders: detail, contrast, consequence, feeling, comparison.
- Model 'from 12 seconds to 45' with the reading example.
- Goal: keep talking until the timer reaches zero on every question.
- Use the length check (analyzer) to measure words.

Board plan

Detail (who/where/when) · Contrast (before… now…) · Consequence (which meant…) · Feeling · Comparison

Check understanding

Q: Name two extenders.
A: Detail, contrast, consequence, feeling, comparison.
Q: Is repeating your first sentence a good way to fill time?
A: No. Add new content.

Watch for

- Filling time with repetition instead of new content.
- Stopping at 30 seconds by habit.

Differentiation

Support: Students choose two extenders before each answer.

Stretch: Strong students use three different extenders per answer.

Collect

- Speaking: one recording per set, sent with Send to my Drive folder (it appears in the Submissions tab).

Daily exposure (homework)

- Take any short answer you give today and extend it aloud with two extenders from the table.
- Talk to yourself in English for 5 minutes while you walk, cook or commute.
